

Hello Friends & Family,

We are currently in the last 7 days of our fasting before Elav 2010, our annual youth & young adult conference

Some of you may have seen a video clip about these 7 days in your congregations but if you haven't please visit <http://www.youtube.com/user/elavmedia> and scroll down to find the video "Elav 2010 @ Hanger 11." This video includes Succat Hallel's director Rick Ridings sharing vision about the conference, as well as me sharing about the fast these last 7 days. It also has the two of us with Avi Mizrachi, a Tel Aviv pastor, praying for the conference. Check it out, be encouraged by what God is doing, and join us in prayer & fasting as the Holy Spirit stirs your heart!

Also, thank you so much to all of you who have given toward Andrew's upcoming trip! We have had all the money pledged for his airfare and the ATC at IHOPKC. We are still working out paperwork (insurance, etc.) for his time there, so pray that all comes together quickly. Also pray for Andrew as he will be leaving the day after the conference. It is a challenging time emotionally for him & for the whole family. We really appreciate your prayers for us (and all the Succat Hallel/Elav Team) right now as we need much grace for the next week or so.

Finally, I would also like to ask for you to join your faith with us to believe for healing for a special friend of ours, Adam Rosenfeld. Adam is the son-in-law of Succat Hallel's directors, Rick & Patti Ridings, and our good friend now for years. Among other things, he is a gifted musician, songwriter & worship leader as well as a good husband & father of five (with number six on the way!). In the last few weeks Adam suffered the loss of about 80% of his hearing and is still getting over a very strong virus. Please press in with us for total healing in his hearing as well as complete restoration of strength as he is still recovering from the virus. At this point the doctors have said they cannot do anything else. We know God can & believe He will! The enemy has attacked Adam in a way that directly targets his destiny & calling as a musician & minister to the Lord. At Elav 2010, he will share a testimony & teaching about being "a royal priesthood." This is very powerful, as we believe it is time for God to gather many young people into His house of prayer. I believe it will be instrumental message used for this purpose of God at this time & season! Please join us to stand with Adam & his family!

Thank you again for all your love & support! You are a blessing and encouragement to us & vital to what we are doing! We are sharing in the spoils together!

That His house may be full,
Jon Mark, Sandra & the Whole Davis Tribe
