

Wedding Testimonials

“The room was more beautiful than we expected and the dance floor was a great perk. The staff are excellent and will do what they can to make your day beautiful.”

- The Holmes

“Beautiful setting for a wedding down on the island with the large trees and creek flowing on both sides. Perfect setting for such a memorable occasion.”

- Foster family wedding

“Amy Wadlow was terrific to work with. It was very nice to have the availability of the Fellowship Hall or sanctuary in the event of rain as we planned our October wedding. My daughter really wanted to be married outside under the trees with fall color. Your location on the island was perfect.”

- Merino family wedding

“Service was amazing. Amy was incredible, location plus the weather made our day as perfect as could be.” - The Neufelds

“Great place to be married. It’s beautiful, and everyone is so helpful, couldn’t ask for a better wedding coordinator. She’s great.” - Maxwell family wedding

“Neighborhood Church is a beautiful venue to be married in, and the staff are extremely inviting and helpful. The entire package is amazing, and made our day, and I’m sure many others, a perfect ceremony and reception to be remembered for decades.” - Brown family wedding

“Neighborhood Church is a wonderful place to get married! The facilities are beautiful both inside and out, the staff is loving, kind and more than willing to work with you and we couldn’t have asked for a better pastor to marry us! Our wedding ran smoothly, was absolutely beautiful and more fun than we could have imagined! Thank you Neighborhood.” - The Bonds

“After looking at numerous other facilities/venues...it was a huge sigh of relief to meet with everyone at Neighborhood. Everyone was so helpful and the facilities were everything my daughter was dreaming of.” - Kelly family wedding

“The staff there was willing to work with our specific desires and visions for the day to help it come true.” - The Jaynes

“Chico’s Neighborhood Church is absolutely beautiful. Lots of shade, beautiful trees, and serene sounding waters running through. We were blessed to have NC as our venue. Everyone was welcoming and supportive. The staff are an example of what it means to be hospitable.” The Hers

“Amy made the experience so professional and made us feel so special. She was a problem solver and solution oriented and constantly reminded me to enjoy my daughter’s wedding. She is a wedding expert.” - Husband family wedding

“The grounds are stunning, Maryellen and the staff was SO helpful and caring, and all-around we just had a wonderful experience. Lovely place to get married.” Kohler Family Wedding

“Neighborhood Church was an amazing venue for our wedding! It was absolutely beautiful and Amy, the coordinator, was wonderful! She did a great job finding out exactly what we wanted the day to look like and making sure everything happened exactly the way we wanted. They were kind and helpful for the whole process, we loved working with them!” - Keeny Family Wedding

“Our wedding was absolutely perfect! The church grounds are beautiful and well kept. And Amy is such a great coordinator. She is very talented and has a gift for planning and organizing. I loved not having to worry about a thing on our wedding day! Thanks you Neighborhood Church for continuing to be a part of our journey!” - The Croziers

“NC did a great job coordinating our wedding, best indoor facility in Chico!” - The Flemings

“I am so glad to have chosen the island for both the ceremony and reception. The island was filled with God’s love, and I know it touched every guest at our wedding. The coordinators were so kind and loving. Thank you so much!” - The Sullivans

“The Neighborhood Church is a beautiful venue that is truly magical. Maryellen and Lori are a dream to work with and really put us at ease, even in the midst of crazy, stressful, typical wedding moments. They made sure everything was exactly how it needed to be and went above and beyond our expectations. We seriously can’t thank them enough for all they did.” - The Van Gilsts
